Texas Businesses Must File Property Tax Renditions by April 15

New Braunfels, TX. March 2021 -

Business owners are reminded that for many property types, April 15 is the deadline to file property tax renditions with Comal Appraisal District. Different deadlines apply for certain regulated property. "A rendition is a list of the taxable inventory, furniture and fixtures, machinery, equipment and other property owned or managed as of Jan. 1 each year" said Rufino Lozano Comal AD Chief Appraiser.

A rendition allows property owners to record their opinion of their property's value and ensures that the appraisal district notifies property owners before changing a recorded value. Exempt property, such as church property and equipment used for farming, is not subject to rendition. Lozano added "business owners, especially those affected by the COVID-19 pandemic, may request in writing an extension of the deadline to May 15".

Rendition forms and additional information can be found on the Comal Appraisal District website at www.comalad.org/forms or by calling 830.625.8597
